

Once and for all

Behold Christ has come, Emmanuel,
Promised One, told us of the Father's love,
light of Truth revealed to us.

Behold on the cross
Blood was shed, hope seemed lost;
conquered death the final blow,
from the grave He arose.

Once and for all
Jesus paid the price,
Thro' the cradle and the cross
He gave eternal life.
The Child of Bethlehem has led us
to the heart of God,
Redeemed forever,
Once and for all!

Behold nailscarred hands,
Offering redemption's plan;
His love for us, the reason why
He became the sacrifice.

Behold, Sov'reign King,
Bow before His majesty.
The Beginning and the End,
we will see Him come again.

Once and for all
Jesus paid the price,
Thro' the cradle and the cross
He gave eternal life.
The Child of Bethlehem has led us
to the heart of God,
Redeemed forever,
Once and for all!
Once and for all!
