

Come and let us praise Him

Come and let us praise Him
The God of all the ages
Father of creation
Lord of sea and land
Come and let us praise Him
And celebrate His greatness
For God, the sovereign Ruler
Has the world in His hands

Honor and worship Him!
Open your heart
Before His majesty
Honor and follow Him!
For God, the sovereign Ruler
Has the world in His hands

Come and let us worship
The God of our salvation
Faithfully He guides us
Showing us the way
Come and let us worship
And bow before His greatness
For He is the good Shepherd
And He calls His sheep by name

Honor and worship Him!
Open your heart
Before His majesty
Honor and follow Him!
For He is the good Shepherd
And He calls His sheep by name

Because we are a holy nation,
We walk with Him in the light
We want to see, we want to hear Him
So we come as His glorious Bride
