

## **My soul does magnify the Lord**

My soul does magnify the Lord  
My soul does magnify the Lord  
For he's worthy to be praised  
Oh, bless His holy name.  
My soul does magnify, magnify the Lord.  
My soul does magnify, magnify the Lord.

Hey, Mary, is it true? Did an angel appear to you  
Did he say you'd have a son, that he would be the chosen one  
Hey, Mary, can it be that you would house divinity,  
that he would favor you this way

Oh you ask how can it be, the hope of glory dwells in me?  
And you ask me how I know I'm highly favored of the Lord?  
I've got joy and abundant life that only comes from knowing Christ  
The holy one called Mary's Babe.

Rejoice!
