

God of eternity

I will lift up a shout of joy
And gladness in my heart
I rejoice in You, Lord of all
My heart is full of awe

I declare that You're my God
And I belong to You
All my worship is what I give
In everything I do

I will enter the gates full of thanksgiving
All I want is to meet with You today
And I sing unto You, Jesus
Lift my hands unto Your name
You are my praise
God of eternity

For the Lord is good
His mercy and His grace
Endure forever, Amen
Yes, the Lord is good
His love and faithfulness
Endure forever, Amen
