

He lives

I got somem'n to sing about.
I got somem'n to shout about.
I stand here forgiven.
Because He lives, all these things I've found.

I got somem'n to sing about.
I got somem'n to shout about.
I've got somem'n to tell the world about.
I wanna tell it, tell the world about it.

I've got somem'n to live for,
I've got somem'n worth dyin' for,
I've got somem'n to tell the world about.

Refrein:
He lives, He lives,
I know my Savior lives.
He lives, He lives,
His life had set me free.

I got somem'n to sing about.
I got somem'n to shout about.
I've got somem'n to tell the world about.

I stand here forgiven,
Abundant life I'm livin',
Because He lives, all these things I've found.

I know He lives, He lives,
I know my Savior lives.
He lives, He lives,
His life had set me free.

There have been many who claimed that they were God.
But in those graves, their bones remain.
But in the thomb where my Jesus once was laid,
There's nothing there, that's why I say:

Refrein.
