

Ascribe to the Lord

Ascribe to the Lord
glory and power
Rejoice in His majesty
Bow before God
from ev'ry nation
For He is worthy

Hear His voice over the wa - ters
Rolling thunder shaking the sea
Now take heed to God's magnificent voice
Come before Him on bended knee

Singing "Glory!" to our marvelous King
Strength and honor we proclaim
Come, exalt His name
declaring His praise
Bowing to the Lord, who reigns

Come, lift up your voice
sons of the Mighty
Exult in His glorious praise
His Spirit brings peace
and fills us with power
Extol Him all your days
