

Living Sacrifices

You urge us Father
In view of Your mercy
To worship You alone
Now we accept Lord
Your invitation
To become before Your throne

Touch our heart, oh God
Renew our mind
We hear your voice today
You gave Your life oh Lord
That we might live
And walk upon Your way

Chorus:

Here we are, as living sacrifices
Holy and pleasing unto You
Here we are surrendering our lives and
Offering our hopes and dreams to You, We worship You

Bridge:

We humbly bow at the cross
We see Your suffering
For You died to give us life
And that is what we bring
