

Almighty and worthy

Almighty and worthy
Holy is the Lord, our God
Abounding in mercy
Holy is the Lord, our God

The earth is full of His glorious reign
The mountains resound with His praise
The seas lift up their voice to His name
The heavens shout: How great You are

The time is near when Jesus returns
And millions will sing of His praise
In worship they will honor His name
As they cry out: How great you are

We bow before the Lord, who reigns
And lift up our voices in praise
When He appears, we'll call out His name
And raise the shout: How great You are
