

Bethlehem Ephrathah

From you Bethlehem Ephrathah so small in Juda.
From you shall come the ruler of Israel,
His origin back in old times;
From you comes forth the King over all the Kings,
He was from the beginning,
He is of ancient days.

From you Bethlehem Ephrathah so small in Juda.
He shall pasture like a shepherd,
be clothed with power and might.
Be clothed with majesty of His powerful name.

All peoples will live safely,
for He shall rule then to all the ends of the world.
And he will bring peace.

From you Bethlehem Ephrathah so small in Juda,
from you comes to us the Ruler of Israel,
his origin back in old times.
From you comes forth the King over all the kings,
He was from the beginning,
He is from ancient days.
