

Redeemer King

VERSE 1

**Lift up Your eyes, salvation is coming
Lift up Your hands and surrender Your praise
Lift up a song of joy in the morning
Dance in the dawn of redeeming grace
Who is this King coming to save the day?**

CHORUS

**This is Jesus, my Redeemer,
Reaching out to ransom me
Let the walls of sin and sadness
Fall before His majesty
Hallelujah, what a Savior,
Born to set the captive free
This is Jesus, my Redeemer,
My Redeemer King!**

VERSE 2

**Joy to the world that has waited in darkness
Joy to the hearts that have seen a great light
Joy to the one whose guilt has been pardoned
Run to the arms of glory bright
Praising the King who comes to save the day!**

CHORUS

BRIDGE

**All of us join in the chorus, which the stars began
Love is reigning over us, binding man to man**
