16
cov-ered it... with trees... It was a fool-ish man who built his house on - ing

19
sund. Woh - oh!

21
It was a fool-ish man... who thought that God could be ig-nored...

8
It was a fool-ish man, who built his house up - on the sand...

11
It was a fool-ish man, who thought that he was wis - er than... the

13
one who made the sky, the one who made the sea, the one who made the land, and

25
It was a fool-ish man who thought that he could stand be - fore... the

27
one who named the stars, the one who made the night, and gal-ax-ies that dance a -

31
cross the night sky... It was a fool-ish man who built his house on sink - ing

33 *mp* sand. *p* with contained excitement
When the rain be-gan to pour, the

Dm B \flat 7 A7 Dm Gm

36 *mp*
roof be-gan to leak; the wall be-gan to swell, the

Dm Ddim

38 *mp*
house be-gan to creak. Soon the wa-ter rose, the wind blew cold and strong.
The
