

Do it, Lord

I see Your glory covering the earth, Lord,  
just as the waters are covering the sea.  
I see the millions coming to salvation,  
I see revival fire in the land.

I see the lost, nameless ones remembered.  
I see the widows shouting out Your praise.  
I see the friendless loved and celebrated  
orphans fulfilling, Lord Your calling on their lives

Do it, Lord, do it Lord, do it, Lord, we are praying.  
Do it, Lord, do it that Your glory may be seen.  
Do it, Lord, do it Lord, do it, Lord, we are praying.  
Do it, Lord, do it that Your glory may be seen.

I see forgiveness overtaking hatred,  
pride and prejudice now giving way to love.  
I see depression replaced with joy and gladness,  
and Satan's lies now bowing to the truth.

Do it, Lord, do it Lord, do it, Lord, we are praying...

This is our prayer o God.  
This is our desperate cry.  
In these days that we're living now,  
let Your kingdom come, let Your will be done

I see the brokenness of fam'lies brought to wholeness.  
I see the prodigals running home to You.  
Fathers' hearts now turning toward their children,  
and their children's hearts turning towards their fathers.

I see Your church rising up in power,  
laying down their lives in unity and love.  
I hear the sounds of ev'ry tribe and nation,  
giving glory to Jesus Christ, the son.
