

Lord we come to You

Lord we come into Your gates, with thanksgiving and with praise.

Into Your presence Lord we come.

In our joy and in our pain, we return to You again.

Into Your presence Lord we come.

Lord we come to You.

Lord we come to You.

Lord we come to You.

Into Your presence Lord we come.

Lord we come to You by faith, all believing in Your grace.

Looking to Jesus as our love.

We were lost without Your truth, now we bring our hearts to You.

Into Your presence Lord we come.

Lord we come to You - O Holy Spirit come and dwell with us.

Lord we come to You - O Holy Spirit breath Your breath in us.

Lord we come to You - O Holy Spirit have Your way.

Into Your presence Lord we come.

Rain down Your power from the heavens.

Pour out Your Spirit in this place.

Reveal the glory of Your presence.

As we ascribe to You our praise.

Lord we come to You - O Holy Spirit come and dwell with us.

Lord we come to You - O Holy Spirit breath Your breath in us.

Lord we come to You - O Holy Spirit have Your way.

Into Your presence Lord we come.

Lord we come to You.

Into Your presence Lord we come.
