

With You

Who Lord, but You, do I have in heaven?
In all the earth I want only You, Lord.
To be with God is my only desire;
I take my refuge with You, my Lord.

Now I know I'm always with You;
You hold me by my hand.
Now I know I'm always with You;
You hold me by my hand.

The rock on which I stand,
all that I have, is God, for evermore.
The rock on which I stand,
all that I have, is God, for evermore.

Originele title: Altijd bij U
