

O what a mystery

O what a mystery

Jesus is here

A light in our darkness shines

O what a story

You came from heaven to earth

Away in a manger

The Word became flesh

born, just like one of us

O, what a greatness

this picture of true humbleness

We have seen the glory

of The One Who lives forever

Jesus Christ the Saviour of the world

filled with grace and truth

You've shown the mercy of the Father

Immanuel,

Immanuel,

God with us.

You've tasted our sorrow

was nailed to the cross

despised by the one You made

yet death couldn't hold You

You conquered the power of the grave

You came to save the world

You came to save the world

God with us
