

## Because You Loved Me

Ev'ry morning when I wake up  
I've got to think about You  
How you make the sun shine  
and how You've seen me through

Ev'ry morning when I wake up  
and the day's about to start  
I get to sing this brand-new song  
that You put in my heart

Because You loved me I'm a new creation  
All the old is gone.  
Because You loved me I've got new expectations  
From all You have done.

Because You loved me, Oo, Because You love me.

When I think of all the things You've done  
And how You gave Your life for me  
All I want is just to pass it on  
For all the world to see;

How You loved me, how You saved me,  
How You made my life brand-new  
and I will tell ev'rybody:  
He'll do the same for you.
