the strang - est sight as we watched an - oth - er boat. The fish -

er - men in - side cried to some - one, "He rock - in' on the waves."

then we thought we saw a fig - ure with the

moon - light shin - ing down. He walked up - on the waves! He did - n't sink,

He did - n't drown! And then He stilled the wa - ter, and He

shout - ed, "Is I, be - not a - fraid. There wre
