

The Lord will lead us

The Lord will lead and guide us while we wander.  
He's behind us to keep us safe from harm, to keep us safe from harm.

The Lord's beneath us, to catch us when we're falling.  
The Lord is in us to comfort when we grieve, to comfort when we grieve.  
He blesses us right now, tomorrow and 'till eternity.  
He blesses us right now, tomorrow and 'till eternity.

The Lord's surrounding us, in Him we're safe and sound.  
He's above us, His blessing shall endure, His blessing shall endure.  
He blesses us right now, tomorrow and 'till eternity.  
He blesses us right now, tomorrow and 'till eternity.

Yes, a mighty fortress is our God.  
He's our shield forevermore.  
He blesses us right now, tomorrow and 'till eternity.  
He blesses us right now, tomorrow and 'till eternity.

And 'till eternity.  
And 'till eternity.  
And 'till eternity.
