

## Masterpiece of Love

We're on our way to Christmas  
Looking out for signs of peace on earth  
And wondrous joy  
Will the messiah find a cradle  
Will he find a heart to be his home  
A lowly stable

Jesus, masterpiece of love  
Born unto us  
In Bethlehem  
We welcome Jesus, masterpiece of love  
Christ eternal  
In the hearts of men

We light the lights of Christmas  
We walk the walk to where it all began  
Our God is with us  
We glorify the Savior  
We bring our gifts to the King who came to be  
a child in a manger

Hallelu - jah  
Born unto us  
Hallelu - jah  
Be born in us  
Hallelu - jah  
Born unto us  
Hallelu - jah  
Be born in us
