

We are children of your song

Lord, we are the children of Your Song.  
We are people made for music.  
Fit us, Lord, for worship.  
Tune our hearts for praise.

Lord, we are the children of Your Song.  
We are living alleluias.  
Lord, sing through us Your hope and love,  
make us instruments of grace.

Lord, You are worthy, alleluia.  
We lift our praise with voices strong.  
Lord, You are holy.  
We serve You only,  
for we are children of Your Song.

God filled the world with glorious music.  
He filled our hearts with chords of love.  
He made His church a place for singing,  
and echoes of His courts above!  
Echoes of His wondrous courts above!

Lord, we are the children of Your Song.  
We are people made for music.  
Fit us, Lord, for worship.  
Tune our hearts for praise.

Lord, we are the children of Your Song.  
We are living alleluias.  
Lord, sing through us Your hope and love,  
make us instruments of grace.

Lord, You are worthy, alleluia.  
We lift our praise with voices strong.  
Lord, You are holy.  
We serve You only,  
for we are children of Your Song.  
We are living alleluias.  
We are children,  
we are children of Your Song,  
children of Your Song!
