

Awake, my soul

Awake, my soul, and sing.
Shake off the cloud of night.
Arise and bless your King,
who's robed in morning light.

Oh, bless the Lord who wakens you
with life and breath and mercies new.
His glories now implore you to
awake, my soul, and sing.

Awake, my soul, and sing.
Let expectation rise.
He waits in everything
that's yet before your eyes.

Oh, bless the Lord who wakens you...

Awake, my soul, and sing. [Awake and sing.]
God's faithfulness declare.
Whate'er this day may bring,
His grace will guide you there.

Oh, bless the Lord who wakens you
With life and breath and mercies new.
His glories now implore you to
Bless the Lord who wakens you...
