You were the Light of the Heavens, worshipped and praised, loved and adored
Still You came into my world, You laid down your crown, Jesus, the Lord
You gave everything up for us, You were the Light in our darkness
All You got was this cross from us, You were the Light in our darkness, You were the Light

You are all that I need, You`re the air that I breathe
You`re the battles I win, You`re the love that I`m in
You`re the music, the words, You`re the song that I sing, You`re my everything
You`re my laughter and joy, You`re the gift from above
You`re the sound of my children, the touch from my love
You`re the music, the words, You`re the song that I sing, You`re my everything
Jesus, You are the Light

I walked around in my own confusion, but then, there I saw You
Looking for me long before I knew I was lost, making me new
You got all of my sins, Jesus, You are the Light in my darkness
I got all of your holiness, You are the Light in my darkness, You are the Light

You are all that I need, You`re the air that I breathe
You`re the battles I win, You`re the love that I`m in
You`re the music, the words, You`re the song that I sing, You`re my everything
You`re my laughter and joy, You`re the gift from above
You`re the sound of my children, the touch from my love
You`re the music, the words, You`re the song that I sing, You`re my everything
Jesus, You are the Light

Now I will shout, I will dance to Thee, it`s for the grace You have given me
I keep on singing, my heart is free, it`s for the grace You have given me
Now I will shout, I will dance to Thee, it`s for the grace You have given me
I keep on singing, my heart is free, it`s for the grace You have given me
Now I will shout, I will dance to Thee, it`s for the grace You have given me
I keep on singing, my heart is free, it`s for the grace that You have given me

You are all that I need, You`re the air that I breathe
You`re the battles I win, You`re the love that I`m in
You`re the music, the words, You`re the song that I sing, You`re my everything
You`re my laughter and joy, You`re the gift from above
You`re the sound of my children, the touch from my love
You`re the music, the words, You`re the song that I sing, You`re my everything
Jesus, You are the Light
