

7 Who I am in your eyes m. Text & music: Stein Jonassen © Continental Sound Music,  
Rotterdam, The Netherlands

I'm alone on this empty road, longing to come home to You  
I am ashamed to bring this heavy load, a broken self and sins and burdens, too

I don't know what You see in me, this is all I'll ever be  
I am not worthy of your perfect love; this is me in the eyes of the world

You tell me You find me perfect in every way  
You signed in blood for me, that was the price to pay

You let me see who I am in your eyes, who I was, who I am, who I'll be in your eyes  
Never let me go, You let me see who I am in your eyes  
In your love I am free, always be, in your eyes, never let me go, You let me see

Let me see who I am in You, You don't care how I look or what I do  
Blameless and worthy of your perfect love, now I see who I am in your eyes

You tell me You find me perfect in every way  
You signed in blood for me, that was the price to pay

You let me see who I am in your eyes, who I was, who I am, who I'll be in your eyes  
Never let me go, You let me see who I am in your eyes  
In your love I am free, always be, in your eyes, never let me go, You let me see

You are, You are, You are, You are heavenly love  
You are, You are the Father, Son, Spirit, in One  
You are, You are my faith and Dad, Holy One  
You are, You are my rescuer, You are watching me  
You are, You are, You are, You are heavenly love  
You are, You are the Father, Son, Spirit, in One  
You are, You are my faith and Dad, Holy One  
You are, You are my rescuer, powerful, over me

You let me see who I am in your eyes, who I was, who I am, who I'll be in your eyes  
Never let me go, You let me see who I am in your eyes  
In your love I am free, always be, in your eyes, never let me go, You let me see  
You let me see  
You let me see who I am in your eyes
