This love of Yours

Refin

Chorus

All I am hungers for Your healing love, and all of me is crying out to You. All I am ever need to be, I give You. All of me will die without this love of Yours.

Vers

1. When my mind can't find the night You're near me, feel I'm drowning in despair
2. As I close my eyes the light You've given see through the shadow of my tears

You're there, I can't begin to understand Your mercy
I only know my heart will stop without Your love!
