Come and see, Mary's baby, my God, child of eternity, my faith, my friend, my all
God became Man through Him, wrapped in a bed of straw tonight

Night will end and yield before Him, all of Heav`n and Earth adore Him

Child of grace from God
Lion of Judah was our lamb of sacrifice tonight

Come and see, Son of the Holy One, my God, dying in agony, my faith, my friend, my all
God became Man through Him, laid in an unknown grave tonight

Night will end and yield before Him, all of Heav`n and Earth adore Him

Child of grace from God
Lion of Judah was our lamb of sacrifice tonight

Night will end and yield before Him, all of Heav`n and Earth adore Him
Night will end and yield before Him, all of Heav`n and Earth adore Him

Child of grace from God
Lion of Judah was our lamb of sacrifice tonight
