

Be enthroned

We've come to join the song
Sung long before our lives
To raise our voice along
Heaven and earth alike

We've seen Your faithful hand
Your mercy without end
A King who bled and died
A God who sacrificed

Be enthroned upon the praises
Of a thousand generations
You are worthy. Lord of all
Unto You, the slain and risen King
We lift our voices with heaven singing
Worthy, Lord of all

All through this life we lead
And onto eternity
Our endless praise, we'll cry
Jesus be glorified

Be enthroned upon the praises
Of a thousand generations
You are worthy. Lord of all
Unto You, the slain and risen King
We lift our voices with heaven singing
Worthy, Lord of all

Highest praises
Lord of all

Be enthroned upon the praises
Of a thousand generations
You are worthy. Lord of all
Unto You, the slain and risen King
We lift our voices with heaven singing
Worthy, Lord of all
